

Horseback ride among vineyards and olive groves

What better way to discover the beauty of the Tuscan countryside with a horseback ride?
Even better if done during the grape harvest or the olive harvest time!

At a slow pace, riding your horse, and immersed in the calm of the countryside, you will pass through vineyards and olive groves where it will not be difficult to meet our farmers while harvesting or picking olives.

- Organizer: Il Gelsomino Ranch
- Meeting point: Il Gelsomino Ranch at 10.00am
- Duration: about 1 hour and a half
- Minimum participants: 2
- Maximum participants: 4
- Cost per participant: € 45.00
